Prepare

Realising our God-given potential
September 27th to 29th 2010

Prepare

Realising our God-given potential

Our conference this year will focus on being ready for what God has planned for us, whether that is a new job or new energy for where we are currently working. There will be time to relax and unwind. The programme includes a combination of biblical teaching and practical workshops, with plenty of space for discussion, whether that is over supper or on a walk, in the pool or having a drink.

Set in the beautiful grounds of Lindors in Gloucestershire this conference plans to be both an oasis of peace and a stirring of hearts. Delegates will arrive on Monday after lunch and leave on Wednesday after lunch. More details can be found on the website www.awesome.org.uk

What's the plan?

Full conference details are found online but here's a flavour: Arrive from 4pm on Monday. There will be teaching, workshops, free time, prayer and worship, time to make new friends and renew old friendships.
